DEFENSIVE DRIVING

Instructor: **WILLIAM FEELEY**, Safety & Training Consultant

This two-session course will reduce your auto liability-collision insurance 10% per year for three years. By taking this course, a driver with excessive points can avoid possible revocation or suspension of his or her driver's license. It will *NOT* override a mandatory suspension or revocation (example: 3 speeding tickets in 18 months). All drivers are eligible regardless of violation or accident record (including assigned risks, drivers under 25 years of age, Senior Citizens, and commercial vehicle and motorcycle operators). The prime focus of the course is to allow drivers to discover their own driving attitude and the effect it has on the way they handle themselves on the highway.

TWO SESSIONS — YOU MUST ATTEND **BOTH** SESSIONS TO QUALIFY.

Wednesday March 7 **AND** Wednesday, March 14, 2012 • 7 to 10 PM

Fee: \$38 (\$32 for people 65 years of age and over)
