Intergenerational Program

Tech Buddies

Do you have questions about how to use your mobile electronic devices or computers? In conjunction with the Teen Services Department of the library, a teen will help you with any basic questions you have about using your cell phone, iPhone, iPad, or other devices, computers and apps. Drop Ins are welcome, but registration is suggested so we can “match you up” with a teen who is familiar with your device.

Registration begins Tuesday, June 25 for SSD residents; all others one week later. If you register online, please specify the device you need help with in the “**Note to instructor**” field.

***IMPORTANT:** If you want help with a specific mobile device, please bring it with you, fully charged.
