

Grounds for Sculpture, a 35-acre sculpture park and museum located in Hamilton, NJ, has been voted one of the top ten places to visit in New Jersey. It was also featured on the CBS program, *Sunday Morning*. *Grounds for Sculpture* has an impressive collection of contemporary sculpture by both American and internationally renowned artists. The guided tour will involve walking, so be sure to wear comfortable shoes. Enjoy a delicious buffet lunch at historic *Yankee Doodle Inn* (established in 1756). Later, there will be time for shopping in Princeton's charming Palmer Square.
