Nassau Digital Doorway E-Books
iPad or iPhone***

Libby/Overdrive App

To borrow Overdrive library eBooks for use with your Apple iPad or iPhone you will need a library card and an email address.

For first time users only:

- Navigate to the App Store on your iPad/iPhone.
- Search for the Overdrive Media Console or Libby.
- Click on “Install”. You will be prompted for your Apple ID (Password) to install the app.
- Press the Overdrive or Libby icon to open the app.
- Open the app and follow the prompts to create an Overdrive account using either your library card.
- The app will prompt you to search for a library. Press “Add a library”, search for Syosset Public Library. Once you select Syosset Public Library you will be asked for your library card number. Syosset is part of Nassau Digital Doorway.
- You can now search for available Overdrive/Libby materials.
- Under each book cover image, the type of book (ebook, audiobook) will be indicated.

To select and download materials:

- Books will either be available or be on wait list. If the book says wait list, tap and enter your email address to be put on hold.
- Once selected tap Borrow to check the book out.
- Go to the upper right hand corner of the screen and tap my account then tap Loans.
- You will be prompted to choose a format next to your selected book. Either EPUB or Kindle.
- Audiobooks will download into the app.
- Audiobooks are available in MP3 format only.

To return ebooks early

- Open the Overdrive/Libby app.
- Go to your Bookshelf by tapping the “Books” icon in the upper right corner next to “My account”.
- *In Libby select “Shelf” on the lower right hand side of your screen. Locate the book you wish to return and tap “Manage Loan”*
- Locate the title you wish to return.
- Tap and the “How to Return” prompt for instructions.

Note: The “Delete” option only removes the title from the device it does not return the book to the library.

***Added feature on iPad (iPhone):**

You can also download Kindle books from Overdrive by using the Kindle app available in the App Store. If you choose this option you will only need your Amazon login to access the titles. Make sure to select “Kindle” before downloading.
