

DOWNLOADING KINDLE BOOKS TO KINDLE FIRE

You will need a valid library card and an Amazon account to check out eBooks.

To connect your Kindle Fire to a Wi-Fi network

1. On your Kindle Fire, tap the **Gear Icon** in the upper right-hand corner or pull down the menu bar.
2. Tap **Wi-Fi** (make sure that Wi-Fi / Wireless Networking is 'ON').
3. Tap on the network you wish to connect to. (Depending on the Wi-Fi network, you may have to accept the usage policy or enter a network password.)

Checking out eBooks

1. Go to the Amazon app store. Select it from the menu on the top half of the screen.
2. In the search bar type "Overdrive".
3. Once it comes up, select and download it.
4. Once you open the app, it will prompt you for your library. Type in Syosset or the zip code 11791. **Select Syosset Public Library. Then select Nassau Digital doorway**
5. Syosset is a part of Nassau Digital Doorway. Select it and then select Syosset again and sign in with your **library card number** into the corresponding field.
6. You can search for an author, title or keyword in the search field. Books that are marked as "Wait List" are out and a hold can be placed on them using your email address after you select "Place a Hold"
7. Click on any book that says **Available** at the top.
8. When you find a book you want, click the **Borrow** button.
9. To download the book, tap Borrow and the Read Now with Kindle.
10. You may be prompted to enter your Amazon email and password.
11. Once the book comes up select "Get Library Book". The "Deliver To" field underneath should be set to your Fire.
12. Audiobooks will download straight into the Overdrive app. They are available in the Loans section which is symbolized by the 3 book icon in the upper right corner.

Returning eBooks early

1. Go into the Overdrive app
2. Select the 3books symbol on the upper right hand portion of the page..
3. This is where you manage your loans. Look for the book you want to return.
4. Underneath the picture you will see a Return button. Tap it.
5. On the Return Loan Confirmation box, tap on **Yes**.
