Instructions for using the Roku® Streaming Stick®

1. Plug in the AC adapter power cable into the Roku stick and then the wall socket. Roku does not have an on/off switch on the Roku stick; it stays on.

2. Plug the Roku stick into the HDMI port located in the side or rear of your television.

3. Select the appropriate video source or input for the television if necessary.

4. Use the Roku remote to connect to your home WiFi for internet connection.
   - Go to the Settings menu, and select Network.
   - Follow prompts to connect to your home WiFi, and enter a password if your home WiFi requires it.

5. Select the Netflix button on the Roku remote to open Netflix.
