Instructions for using the Roku 2®

1. Plug in the AC adapter power cable into the Roku2 and then the wall socket. Roku does not have an on/off switch, it stays on.

2. Connect the HDMI cable provided into the HDMI port on the Roku then plug the same cable into the HDMI port located on the side or rear of your television.

3. Select the appropriate video source or input for the television if necessary.

4. Use the Roku remote to connect to your home WiFi for internet connection.
   - Go to the Settings menu, and select Network.
   - Follow prompts to connect to your home WiFi, and enter a password if your home WiFi requires it.

5. Select the Netflix button on the Roku remote to open Netflix.
